Newton Housing is working very aggressively on a force accounting modernization program of energy conservation measures to utilizing energy efficiency to reduce the cost to the residents, and the Authority. By updating the water heaters, faucets, showerheads, and keeping air conditioner filters changed on a monthly basis, and changing to fluorescent lighting in the living rooms and bathrooms.

We have replaced the roofs, fascia and soffits at TX223-001, Didrikson and Odom Sites as of FYE 2003. And have replace roofs, fascia, and soffits at TX223-002, Highway 87 Site (Sartain Street) in spring of 2004.

We have plans to plants trees to help with shading from the heat of the Southeast Texas summer sun. And to help build a since of pride in the neighborhoods, and stop the project base mentality.

We hope as the timber industry rebounds from the loss of 26,000plus

acres of public timberland in Newton County alone, due to the fires and the storms of 2000, which devastated the economy of Southeast Texas. Of which Newton County was especially hard hit. This caused the loss of the Louisiana Pacific, plywood plant and numerous small mills and the city's two hardware stores, The Dollar Store, the candles shop, cafés, and welding shops.

The hope of the Authority is that we will be here really to meet the needs of the community for safe and affordable housing that comes with economic growth.

Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The Newton Housing Authority was designated a “High Performer” based on its U.S. Department of Housing and Urban Development (HUD) Public Housing Management Assessment Program (PHMAP) scores for 2003. (Please note: because of the High Performer designation, there are some parts if the following plan which are not required.)

This is the Five-Year Plan and Annual Plan for the Housing Authority of the City of Newton. The Housing Authority’s fiscal year begins April 1, 2005. The Five-Year Plan is for fiscal years 2005 through 2010 and the Annual Plan is for fiscal year 2005

Newton Housing Authority administers 63 units of Public Housing. The chart below gives the number of units by household type and bedroom size.

Elderly/Disabled	Family	
1-Br – 16	1-Br – 12	4Br -2
2-Br – 7	2-Br – 14	
3-Br - 1	3-Br – 11	

A Board of Commissioners, consisting of five members appointed by the Mayor, oversees the agency. The Agency was established in 1963.

The mission of the Housing Authority, stated above by the Board on December 17, 1999. When the Board adopted this statement, it knew that there were many ways that the Authority could provide adequate, safe and affordable housing, to providing housing subsidy. The mission also requires the Housing Authority to extend it role beyond housing assistance and

develop programs, which provide economic self-sufficiency to the families it serves. Finally, the mission statement charges the Authority with the responsibility to affirmatively further fair housing and deliver the programs in a way that all those served are treated equally with dignity and respect.

The Housing Authority plans to expand the supply of assisted housing by reducing the number of vacancies at its developments. The Housing Authority will reduce the current vacancy rate; thus providing housing assistance to a greater number of low-income families.

The Housing Authority further intends to increase the number of working families residing in Public Housing units. Currently, 15 of the families are working. The Authority plan to increase this number to 50% over next five years. We will accomplish this through a combination of flat rents, rent incentives, working preferences, and by working closer with social service agencies to provide job training and employment opportunities.

Over the pass five years, the Housing Authority will adopt and implement all needed incentive program to promote self-sufficiently (EID) and Drug Free Ozone and safe neighborhoods.

The Agency has three primary sources of funding; rental income, operating subsidy, and Capital funding. With public housing funding being revised, the Agency's future funding amounts could be substantially altered. The figures in the Plan do not reflect any impact from the upcoming changes in funding formulas, since the impact is unknown at this time. The Agency expects to retain these reserve levels throughout this five year planning period.
